Initial Assumption of Inherent Risks

The Tough Mudder event (hereafter referred to as the **TM event**) is meant to be an extreme test of toughness, strength, stamina, camaraderie, and mental grit that takes place in one place in one day. It is not a race against other contestants, but rather a competition with oneself and the course. The object is to complete the course. Venues are part of the challenge and usually involve hostile environments that might include extreme heat or cold, snow, fire, mud, extreme changes in elevation, and water. Some of the activities include runs, military style obstacles, going through pipes, traversing cargo nets, climbing walls, encountering electric voltage, swimming in cold water, throwing or carrying heavy objects, and traversing muddy areas. In summation, the TM event is a hazardous activity that presents the ultimate physical and mental challenge to participants.

I acknowledge that the TM event is an extreme test of my physical and mental limits that carries with it inherent risks of physical injury. **Inherent risks** are risks that cannot be eliminated completely (without changing the challenging nature of the TM event) regardless of the care and precautions taken by **Tough Mudder LLC (hereafter used when referring to the corporate entity and protected parties)**. I also understand that it is extremely strenuous with the accompanying risks and dangers generally present in such activities. I understand that these hazards may be magnified due to the fact that the TM event is often conducted under what may be extreme conditions and circumstances.

I understand and acknowledge that the **inherent risks include**, but are not limited to: 1) contact or collision with persons or objects (e.g., collision with spectators or course personnel), contact with other participants, contact or collision with motor vehicles or machinery, and contact with natural or man-made fixed objects or obstacles); 2) encounter with obstacles (e.g., natural and man-made water, road and surface hazards, close proximity and/or contact with thick smoke and open flames, barbed wire, pipes, and electric shocks); 3) equipment related hazards (e.g., broken, defective or inadequate competition equipment, unexpected equipment failure, imperfect course conditions); 4) weather-related hazards (e.g., extreme heat, extreme cold, humidity, ice, rain, fog); 5) inadequate first aid and/or emergency measures; 6) judgment- and/or behavior-related problems (e.g., erratic or inappropriate co-participant behavior, erratic or inappropriate behavior by the participant, errors in judgment by personnel working the event; and 7) natural hazards (e.g. uneven terrain, rock falls, lightning strikes, earthquakes, wildlife attacks, contact with poisonous plants, marine life and/or ticks).

I further understand and acknowledge that any of these risks and others, not specifically named, may cause injury or injuries that may be categorized as minor, serious, or catastrophic. **Minor injuries** are common and include, but are not limited to: scrapes, bruises, sprains, nausea, and cuts. **Serious injuries** are less common, but do sometimes occur. They include, but are not limited to: property loss or damage, broken bones, torn ligaments, concussions, exposure, heat-related illness, mental stress or exhaustion, infection, and concussions. **Catastrophic injuries** are rare; however, we feel that our participants should be aware of the possibility. These injuries can include permanent disabilities, spinal injuries and paralysis, stroke, heart attack, and even death.

I also understand that it is my responsibility to consult with my personal physician prior to participating in the TM event to ensure that such participation will not pose any unusual risks to my health and well-being.

I understand that it is my responsibility to inspect the Course, facilities, equipment, and areas to be used, and if I believe or become aware that any are unsafe or pose unreasonable risks, I agree to immediately notify appropriate personnel. By participating in the event, I am acknowledging that I have found the course, facilities, equipment, and areas to be used to be safe and acceptable for participation. I accept full and sole responsibility for the condition and adequacy of my equipment.

I UNDERSTAND FULLY THE INHERENT RISKS INVOLVED IN THE TM EVENT AND ASSERT THAT I AM WILLINGLY AND VOLUNTARILY PARTICIPATING IN THE EVENT. I have read the preceding paragraphs and acknowledge that 1) I know the nature of the TM event; 2) I understand the demands of this activity relative to my physical condition; and 3) I appreciate the potential impact of the types of injuries that may result from the TM event. **I HEREBY ASSERT THAT I KNOWINGLY ASSUME ALL OF THE INHERENT RISKS OF THE ACTIVITY AND TAKE FULL RESPONSIBILITY FOR ANY AND ALL DAMAGES, LIABILITIES, LOSSES, OR EXPENSES THAT I INCUR AS A RESULT OF PARTICIPATING IN THE TM EVENT.**
